Regn of B&D Act - extension to certain villages in the South Kanara Dt

The Coll. of S. Kanara has recommended that the Regn of B&D act may be extended to certain villages in his district. He has given the names of the panchayat Courts in whose jurisdiction the several villages are situated and requests Govt to grant powers to these panchayat Courts to try offences under this act. But if there are magistrates' courts within a radius of five miles from the villages where offences under this act can be tried, it will be unnecessary to confer powers on the panchayats in whose jurisdiction these villages are situated. Courts In villages ~~where there are no panchayat Courts~~ which are not included within the jurisdiction of any panchayat court, the Collector suggests that the magistrates concerned may try the cases But he has not stated whether the magistrates' courts are within a distance of 5 miles from the villages. The Collector may therefore be requested to state in respect of each village whether there is any magistrate court at a distance of less than five miles, where offences under the

Act can be tried.

It is not also clear from the Coll
submitted by the Collector whether the villages ~~are~~ in which no panchayat courts
within a distance of five miles from the are situated, are
panchayat Courts in whose jurisdiction they lie.
~~are situated~~. The Coll may therefore be asked
to state in the case of the villages which have
no panchayat courts in their villages, themselves and which
are at a distance of more than 5 miles from
the nearest magistrate court, ~~whether the~~

in respect of ~~12 villages in addition to~~ the villages to which ~~the~~ she has

He has now added twelve more villages.

All the villages except those crossed on pages 9 & 16 either have panchayat courts in their villages or are within a distance of less than 5 miles from the nearest panchayat courts or magistrate's courts and there seems to be no objection to extend the provisions of the Act to these villages which are not crossed.

The Coll. of South Kanara has submitted proposals for the extension of the provisions of the Regn. of Births and Deaths Act, 1899 to certain villages in the Dt. The Govt approve of his proposal in respect of the villages which are within a distance of five miles from the nearest magistrate's court or a panchayat court. The appended notification will be published in the next St. George Gazette.

2. The Coll. is requested

to give wide publicity to the introduction of the Act and the nature of its provisions

3. The Collr is requested to address Govt in the Law(gl) dept in regard to the grant of powers to the Panchayat courts concerned to try offences under the Act arising within the limits of their respective jurisdiction.
